

# Sunday 22<sup>nd</sup> March

## Living Faith will be online only

Hi Living Faith family.

### **No attendance**

Late this afternoon the Federal Government have amended the requirements for indoor gatherings which means we are **not going to hold our Sunday services** as previously stated.

### **Watch the service online**

This Sunday Pastor Rodney Garlands' message addressing fear will go **live at 10am** and you will be able to see that video live [here](#).

We understand the fear that people are experiencing, but remember Jesus is on the throne, His promises are forever and His power and presence are with us.

### **Look out for each other**

I encourage you to look out for one another. Why not call someone different every day, especially those who are struggling. This can be from our LF family or maybe a neighbour, friend or work colleague.

I also encourage you to keep in contact with our pastors. One great way of communicating with us is through [care@livingfaith.com.au](mailto:care@livingfaith.com.au).

*I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit. Romans 15:13 (NLT)*

Living Faith, **let's go be the church!**

Kind regards

Rod Nes
